## Message from the Head

### Stars of the Week

This week our value has been TOLERANCE! Our pupils of the week for tolerance are Nicole in Oaks class, Shantos in Hawthorn class Chloe in Rowan class, Freddie in Chestnut class and Taylor in Silver Birch class.

Next week the value we will be considering in our assemblies and in lessons will be GOOD MANNERS.

### Attendance

"Ten ticks for a ticket"

Our whole school attendance figure for the school year so far is 96.3% and for this week was 98.5%. The class with the best attendance this week was Oaks with 100%.

### Ten House Points

Well done to Joseph, Mason, Amelie, Bethany, Alex, Freddie, Harry, Cameron, Kyra, Nicole, Holly, Amelia, Tommy, Evie-Mae, Adele, Huey, George, Keira, Finley and Zac who have achieved ten house points this week and to Owen, Matilda and Ellie who have achieved twenty-five house points for their efforts and achievements.

### In The Community

Year 5 children went to Saxmundham Free School this week to take part in a Maths Master Class with children from other local primary schools. They will be attending this every Wednesday this term as part of our maths mastery approach in our pyramid of schools.

Last term Chestnut class performed with their jig dolls at the Snape Celebration of School's Music. There are now links to the performances on our twitter feed and on the Aldeburgh Music twitter feed should you wish to share in the children's journey across the course of the day they spent there.

Congratulations to Maddie who has swum 50m in the Rainbow Swimming Award Scheme and has also gained her ASA Water Skills Grade One and Two awards and the ASA National Plan Swimming Awards Stages One and Two. You have been busy Maddy and will now be a lot safer in the water!

### Violin Lessons

Mrs Helen Orsler continues to offer violin lessons, which take place at the school on a Tuesday during the lunch break. If your child is interested in joining the violin group and having lessons please contact the school office who will arrange for your details to be passed on. The children who take lessons with Mrs Orsler have always done exceptionally well and have enjoyed this element of their study of music.

### Better Weather

As the weather is now finally beginning to improve it is increasingly important that the children have a water bottle and a hat in school. There is access to drinking water for refilling bottles and we aim to ensure children are reminded regularly, throughout the day, to drink plenty.

### 'Marathon in a Month' for British Heart Foundation

Lots of children joined me in the outdoors to walk, run and chat our way around the field, counting laps towards our own mini marathons. This club will continue to run at lunchtimes for the rest of this half term and children can collect forms from me to record the number of laps they are doing each day. More children are always welcome.

Recycling 'Month' - The PTA are holding a recycling month running from now through until the end of May to raise money for our school.

### School Council

The School Council have been interviewing for our new HLTA this week. They were very professional in asking questions that they had decided upon themselves. We are pleased to announce that Mrs Debbie Taylor will be joining us as our new HLTA after half term.

### Uniform

The Coldfair Green uniform can all now be purchased from School trends. The green jumpers and green t shirts will no longer be part of our uniform from September. Children will need to wear a white polo shirt with the red sweatshirt and red polo shirts will be used for PE lessons, as previously detailed. Children will be expected to wear black shoes, not plimsolls or trainers, as part of their uniform. Thank you for your support with this.

### Vouchers

We are still collecting the Sainsbury's Active Kids and East Anglian Daily Times Sports for Schools vouchers and hope to have collected enough of these to purchase some really useful equipment for school. Thank you for everything you have collected thus far.

### Diary Dates

02.05.16 Bank Holiday - School Closed

04.05.16 Reception Class children - Heights and Weights

09.05.16 - 12.05.16 Year 6 SATS week
