Issue: 31 May 6th 2016

Message from the Head

It was lovely to receive a letter this week from a member of staff at the Suffolk Showground, detailing how impressed she was with the Rowan class children's attitudes and behaviour on their visit to the Food and Farming Fair last week. She was also impressed that Mrs Atherton had been so well organised and had planned ahead what she wanted to visit with the children and had thought about the learning that she wanted to follow on from the visit. Well done everyone! That's the Coldfair way!!

Stars of the Week

This week our value has been RESILIENCE! Our pupils of the week for resilience are Mason in Oaks class, Nicola and Chelsy in Hawthorn class, Chelsy in Rowan class, Georgia in Chestnut class and Matilda in Silver Birch class. Next week the value we will be considering in our assemblies and in lessons will be DOING OUR BEST, a fitting value for SATs week and every week.

Attendance

"Ten ticks for a ticket"

Our whole school attendance figure for the school year so far is 96.5% and for this week was 98%. The class with the best attendance this week was Oaks with 100%.

Ten House Points

Well done to Katie, Dexter, Madeline, Amy, Louis, Harry and Chester who have achieved ten house points this week and to Barney who has achieved twenty-five house points and to Dulcie and Liam who have reached fifty house points for their efforts and achievements. Lots of excellent attitudes and behaviours towards learning!

In The Community

A big well done to Corey, who has achieved his 5m badge and certificate in the ASA Rainbow Swimming Award Scheme. It's always good to know how many of our young people are able to swim confidently as this is such an important skill for life.

Sky FC Soccer Skills Camp is running at Sizewell Sports and Social Club during half term. For further details please collect a leaflet from the school office.

Race for Life for Cancer Research

The children will be taking part in our very own Race for Life on Wednesday 29th June during the school day. Each class will have their allocated time slot where they will walk run and challenge themselves to complete as great a distance as they are able. Families are welcome to join their children in this and more details and sponsorship forms will follow nearer the time.

The School Council

The School Council have been working with Miss Green this week thinking about the outdoor spaces around school now we are able to get out into the grounds as the weather is improving. They have decided that each house will hold a cake sale and that funds raised will go towards buying additional equipment for lunchtime activities and to provide things the children would like to use outside. More details to follow.

Tokens

We are one of the recipients of the green token boxes in the coop in Aldeburgh and in Solar and funds raised will go towards the upgrading of the stage lighting for performances. Thank you Mr Fletcher, for organising this. We also have a token box in Waitrose at the moment and this has been organised by the PTA who are fund raising for the tree houses and outdoor reading spaces we would like to build in the woodland to the side of the school. If you or your family shop in either of these stores please do consider donating your green tokens to Coldfair Green.

Diary Dates

- 06.05.06 Councillor Smith visit to school.
- 09.05.16 - 12.05.16 Year 6 SATS week
- 13.05.16 Paired Reading
