Message from the Head

A huge well done to everyone who joined us and ran, walked, skipped and sang their way around the track as part of our Race for Life event raising money for Cancer Research UK. We will let you know how much has been raised in due course. There are a number of staffing changes for September. Mrs O'Dwyer and Mrs Atherton are both leaving the school and Miss Porter will be the class teacher in the Oaks Class next year. The children will all be given the opportunity to spend the morning in their new classes on July 7th and we are hoping that new staff who take up their posts in September will be available to join us on that date.

Stars of the Week

This week our value has been *GROWING OUR BRAINS*. Our pupils of the week for growing their brains are Alice in Oaks; Taylor in Hawthorn; Annabel in Rowan; Holly in Chestnut and Dulcie in Silver Birch. Children have been working hard this week and risking getting things wrong as they develop their resilience and learn from their mistakes. Next week the value we will be considering in our assemblies and in lessons will be *KINDNESS TO OTHERS*.

In the Community

A big **THANK YOU** to everyone who donated green tokens to Coldfair Green's box at Waitrose over the last few weeks. We were delighted to receive a phone call on Monday telling us that £396 had been raised towards the cost of building tree houses and reading dens in our woodland.

Brave The Shave

During half term Samuel in Silver Birch bravely had his head shaved to raise money for Cancer Research UK. He raised over £150. We are so proud of you Sam!

Attendance

"Ten ticks for a ticket" Our whole school attendance figure for the school year so far is 96.5% and for this week was 95.9%. The class with the best attendance this week was Chestnut with 98.8%.

Ten House Points

Well done to Digby, Kaitlyn, Amy, Benjamin, Amy, Sam, Isla, Rory, Ollie, Abigail, Daisy, Dolcie and Toby who achieved their ten house points certificates this week and to Daniel, Zac, Elijah and Alexander who have achieved twenty-five house points and to Owen and Alexander who have achieved fifty house points for their efforts and achievements. Lots of excellent attitudes and behaviours towards learning!

Literacy News

Mrs Sutton-Reid has been hard at work ordering new books for the exciting topics we have planned as part of our curriculum for next year. She has asked me to tell you about an opportunity to support the school library by entering a competition to win £5000 worth of National Book tokens for the school as well as a £100 book token prize for your own family. Please do sign up to support the school on the website which is www.nationalbooktokens.com Entries close on 31.07.16. Please pass the message on to as many people as you can. The Parents' Section of the school website has also been updated with a number of links to support home learning in Literacy.

Buns and Biscuits

Well done Earth House children and parents. You raised £49.60 at your cake sale. Mars House (reds) are holding a cake sale after school next Wednesday. If your child is in Mars House we would welcome donations of buns and biscuits on Wednesday morning and they will be on sale at 3.15pm on the front playground.
