Message from the Head

Please keep the sponsorship money coming in from Race for Life. So far we have collected over four hundred pounds. The school will receive a certificate showing how much money the children have raised, whether donated through the school office or via the online link at the top of this newsletter.

We have welcomed our new Reception Class parents to school this week and I know you will make them more than welcome when they join you on the playground in September and for going up morning on 7th July.

Stars of the Week

This week our value has been PRIDE IN OUR ACHIEVEMENTS. Our pupils of the week for pride in our achievements are May in Oaks; Emily in Hawthorn; Thomas in Rowan; Tommy in Chestnut and Liam in Silver Birch. Children have had a super week, performing in the Midsummer Festival and being very resilient with the maypole ribbons, Year 5 have visited Saxmundham Free School for the Maths Crystal Maze and have been to Sudbourne Print Studios on an Art visit and Year 6 have been to Hands on Heritage! Next week the value we will be considering in our assemblies and in lessons will be SELF BELIEF.

In the Community

James has achieved the ASA Level 2 National Swim Award. Well done James - A very useful life skill, especially when we live so close to the sea. Georgina Wightman has achieved Level Three in Riding at a recent Gymkhana. Well done Georgina. Elijah became a member of the 56 club this week. Well done Elijah, we can't stress enough how important your multiplication tables are for all of your maths work!

Jubilee Opera - The Rattler - The True and Original Story of Rumpelstiltskin

This will take place on Sunday July 3rd at the Jubilee Hall in Aldeburgh. Performances are at 3pm and 6pm. Tickets can be obtained from Aldeburgh.co.uk 01728 687110 and there is further information that can be found about the production using the following link online :

<https://www.youtube.com/watch?v=BJuy3Urp9jU> or on the website

<http://www.jubileeopera.co.uk/sample-page/> As the children watched the Norwich Puppet Company perform Rumpelstiltskin as our topic book at the start of the term they know the story and might enjoy this if you are looking for a family day out.

The School Council

The School Council have been busy interviewing again this week as we seek to appoint our Maths Lead and Senior Teacher for September. Once this final appointment is in place we will be able to share our plans for September's classes with you. The children wrote their own interview

questions, which were as searching as ever!

Attendance

"Ten ticks for a ticket" Our whole school attendance figure for the school year so far is 96.57% and for this week was 97.67%. The class with the best attendance this week was Chestnut class with 99.39%.

Ten House Points

Well done to Taylor who achieved her ten house points certificate this week and to Mollie who achieved twenty-five house points for her efforts and achievements. Some excellent hard work going on!

Gold Behaviour Awards

This week our children who get awards for showing an excellent attitude towards learning are Madeline and Bulcsu. Keep up the good work.

Midsummer Festival

It was lovely that so many of you could join us for the Midsummer Festival. There were nearly two hundred people doing the last circle dance at the end. I don't think the field has ever felt so small. The Maypole dancing is such a lovely tradition and lost to so many small English villages that it is lovely to see it still firmly in place. There will be a new maypole next year though as this one is ready to be retired. We were also very lucky to be joined by Syzewell Gap, the local folk band who provided the live music for the dancing during the day. They were certainly kept busy. Many thanks to Suffolk Folk who funded half the cost of the band for us. Much appreciated. Photos will be on the website shortly. We would be grateful for any feedback

Buns and Biscuits

Well done Neptune House children and parents. You raised £36.80 at your cake sale. Thank you all for the support you have shown all of the children through baking and buying. It is much appreciated.

Diary Dates

27.06.16 Non Uniform Day for Fete Prizes

30.06.16 Year 5 at Thomas Mills High School Brazil Olympics Science / DT and PE day
