Message from the Head

Next Friday is the last date for bringing in sponsorship money from Race for Life. So far we have collected over five hundred pounds. We will be sending the money off on the last Monday of term. End of year reports will come home today. Please take time to read and discuss them with your child. They reflect the hard work put in by both the children and the staff this year in what has been a time of real change in education. The grades are explained at the front and there are additional explanations enclosed for parents of children in Year 2 and Year 6 who have taken SATS papers and of Year One explaining how the Phonics check has been carried out. We are very proud of the children for their attitudes towards learning and their learning behaviours this year. Their resilient approach and determination to do their very best and to persevere will stand them in good stead for life beyond their schooling.

Stars of the Week

This week our value has been BEING HELPFUL. Our pupils of the week for self-belief are Alfie in Oaks; Lily in Hawthorn; Annabel in Rowan; Digby in Chestnut and Alex in Silver Birch. Children have been very helpful this week, welcoming new staff and children as part of our 'going up day' on Thursday and making props for the play. Next week the value we will be considering in our assemblies and in lessons will be MEETING MY TARGETS.

In the Community

Nicole has achieved her Grade Two and Grade Three ASA Water Skills Awards. Thomas and Finley have achieved the ASA Level 2 National Swim Award. Bethany, Amelia and Mollie have achieved their Stage Four Learn to Swim Awards too, which involve swimming using several different strokes. Well done to you all.

Summer Fete

The PTA would like to thank everyone who visited the fair for their continued support. £2025.45 was raised on the day. A huge thank you to everyone who came, who helped or who supported in any way. We were very lucky with the weather which was perfect, even allowing us to get most of the clearing up done before the skies opened.

Attendance

"Ten ticks for a ticket" Our whole school attendance figure for the school year so far is 96.53% and for this week was 98.27%. The class with the best attendance this week was Hawthorn with 100%.

House Points

Well done to Lily Chambers and Emily Baldry who achieved their ten house points certificates this week for their efforts and achievements.

Golden Behaviour

Well done to Joseph Clements, in Rowan Class, who achieved his Gold award this week for consistently working hard. That's what we like to hear Joseph! Well done you!

Disco

There will be an end of term disco on 18.07.16. EYFS / KS1 will enjoy their dancing from 2.15-3.15pm and KS2 will have their disco from 3.30 - 5pm. Flyers for this will come home next week. The PTA have also organised a Year 6 Jungle themed "I'm a Celebrity get me out of here"! leaver's party which will start at 5:30pm to 7:30pm.

Can you help?

We are planning to paint the sheds and fencing at the back of the school over the holiday. If you are willing and able to help us with this please see Mrs Fewkes to offer your support. Miss Porter also has a plea for any old sheets or curtains that we could make into story bags to support our Reception and Year One children next year. Any donations can be made via the office. Many thanks.

The Sandlings

The Sandlings garden at the front of the site is in a state of disrepair. Until it has been fixed can we respectfully ask that you keep the children off it before and after school to avoid any nasty accidents please. Your children are your responsibility at these times and we would not want them to be hurt. Thank you for helping us to ensure their safety.

Now that the builders have started on site, replacing the boilers, the woodland to the side of the school is also out of bounds to ensure everyone's safety whilst new gas mains are put in.

Diary Dates

11.07.16 Dress rehearsal Circle of Life Production

15.07.16 RE day
