## Message from the Head

It's been another very warm week and the children have been sensible and kept their water bottles topped up throughout. Please remind them to bring hats and apply sun cream whilst the weather remains so warm. As we have been looking at books and talking to children a lot this week about the content and presentation of their work we have been very pleased to see the high standards we expect appearing in the books. Children should feel very proud of the start they have made to the year. Their efforts and attitude have been excellent. Well done everyone.

## Star of the Week

This week our value has been DEMOCRACY. Our pupils of the week for Democracy are Amber in Oaks; Finley in Hawthorn; Florence in Rowan; Digby in Chestnut and Alex in Silver Birch. The School Council is now voted in and Miss Green is looking forward to working with the children. Next week the value we will be considering in our assemblies and in lessons will be RESPECT.

## Attendance

"Ten ticks for a ticket" Our whole school attendance figure for the school year is 99.3% and for the week is 99.5%. The classes with the best attendance this week are Oaks and Silver Birch with 100%.

## In the Community

A number of other children have been to see me this week to tell me they too received a certificate of merit for Talent for Writing and their mini sagas are also going to be published. I am looking forward to reading them all. It is great to hear of so many of our youngsters being successful. Well done to Chelsy, Harry and Georgina. Amy achieved a merit in her Grade One Piano Exam. Well done. She will be entertaining us again I am sure.

Rory, who plays for Benhall Badger Cubs Under 7's has been invited to join Ipswich Town Football Academy. If he reaches the required standard he may progress to the Academy's Elite Programme. Well done Rory. You must be very excited!

Clubs - These have started well and been well supported. There are still places available for Netball which will now run on a Monday evening for both Key Stage Two groups due to numbers.

## Diary Dates
