## Message from the Head

World Book Day yesterday saw some super costumes worn to school, by both staff and children. Our World Book Day focus this year was 'maths through story.' Our maths library is growing all the time and we launched it during the day on Thursday. The books are now available for the children to borrow from the library. Keep an eye on our twitter feed on the day for photos of our activities as soon as our internet is up and running again. We are in the middle of changing over to a new supplier for our broadband service and are still waiting for the filtering to be completely in place to ensure the children are properly safeguarded and not exposed to any inappropriate content. There is therefore still no internet currently. Thank you for your generous donations of Easter Eggs for the PTA raffle which will be held on the day of our egg hunt. More details to follow regarding this.

## Stars of the Week

This week our value has been PERSEVERANCE. Our pupils of the week for perseverance are Willow in Oaks class, Lily in Hawthorn class, Sam in Rowan class, Annabel in Chestnut class and Benjamin in Silver Birch class. We have been thinking about events in the news this week and considered the British Value of 'Individual Liberty' and thinking about why school and being able to go to school is so important. We have discussed the opportunities provided by our education and have been deciding to make the right learning choices. This week Year 6 have also heard the outcome of their High School choices and are beginning to look forward to the next stage of their educational journey, to high school and beyond. Next week the value we will be considering in our assemblies and in lessons will be CARING FOR OTHERS.

## In the Community

We are still collecting postage stamps and used ink cartridges from computer printers and a box is now in Reception for Sainsbury's Active Kids vouchers. Comic Relief Red Noses have now sold out. Sorry for any disappointment. We are trying to source more and if we manage to get any they will be on sale again on the playground after school. Thank you everyone who has supported this. We will be sporting our comedy socks on Red Nose Day on Friday 24<sup>th</sup> March.

## Attendance

"Ten ticks for a ticket"

Our whole school attendance figure for the year so far is 95.73% and for the week is 94.02%. The class with the best attendance this week was Oaks with 98.39%.

## Good Behaviour Awards

Jemma has gone on to Gold on the behaviour chart this week for some fantastic data handling work. Well done Jemma, you will be able to help me with the budget now I hope!

## House Points

**Ten house points** were awarded to the following children this week: Nancy, Bettymae, Shanjay, May, James, Hannah, Tyler, Elsie and Thomas. The following child has received **twenty - five house points**: Oliver. A number of children have now achieved their **fifty house point** certificates: Amelie and Chester. Keep up the good work everyone.

### Random Acts of Kindness

Our new award recognises the kind and caring ways in which children treat each other at the school, expecting nothing in return. I have been so impressed on many occasions by the small things children do to support and care for each other. Small acts of kindness can really make a difference to our relationships with each other and they are often the basis of making new friendships. This week's 'Random Acts of Kindness Awards' go to Daisy and Kaitlyn.

### Notice

We have chicken pox in school at the moment in both classes in Key Stage One. Please be aware and be vigilant for signs of this.

### Diary Dates

07.07.17 RE Day

08.03.17 Year 4,5,6 Cross Country - Saxmundham Free School

09.03.17 Rendlesham Forest - We're Going on a Bear Hunt - Oaks and Hawthorn Classes
