

## Secrets to Success

**We will :**

- Be proud of our achievements
- Be committed to learning new skills
- Be cooperative and involved
- Be the best that we can be
- Be respectful and a team player
- Be confident in our abilities and believe in ourselves

## We expect everyone to be considerate at all times:

**We value the following in our school:**

Courtesy  
Honesty  
Hard work  
Reliability  
Self-discipline  
Tolerance  
Happiness

**We will not accept poor behavior in our school, nor will we tolerate the following:**

Bullying  
Cheating  
Dishonesty  
Irresponsibility  
Rudeness  
Vandalism  
Fighting

Courtesy, respect, good manners and consideration for others, together with self-discipline, are important aspects of a child's education. The school has few school guidelines and most of them relate to health, safety and wellbeing:

1. In school children always walk, and enter and leave the building sensibly.
2. Children inform the teacher or another adult whenever they leave the classroom.
3. Children wear no jewelry in school other than a single small ear stud in each ear.
4. All clothing to be marked with the child's name.
5. Toys are not brought in to the school as it can take no responsibility for loss or damage.
6. Only fruit or vegetables may be brought into school to eat at morning playtime, but no sweets, chocolate or crisps.
7. Bikes or scooters are to be pushed to and from the school gate and may not be ridden on the front playground.
8. Children may not go on the grass at the front of school, nor on The Sandlings Garden.

**And finally....**

**Children are their parents' responsibility in the school grounds before and after school.**

## **Home - School Agreement 2017-2018**

### **What is a home-school agreement?**

A home-school agreement explains the aims and values of your child's school. It spells out the responsibilities of both the school and the parents, together with the school's expectations of its pupils.

### **Why are home-school agreements important?**

Children achieve more when schools and parents work together. A home-school agreement helps you to work with your child's school. Your support and encouragement are very important if your child is to make the most of school.

### As A School We Will :

- Create an atmosphere where each child is valued, encouraged to do their best, taught to take care of themselves and property and become a caring member of the community.
- Provide a balanced curriculum that meets the individual needs of every child and encourage them to reach their full potential.
- Provide learning activities that are appropriate and manageable for each individual child; including targets for each pupil that support further progress.
- Have high expectations of good behaviour and expect all school guidelines to be followed.
- Monitor absences and talk to parents/carers if there is a problem with attendance or punctuality.
- Inform parents and children of the equipment required for participation in all school activities.
- Encourage children to be suitably dressed for school and to take a pride in their appearance.
- Keep parents regularly informed of their child's progress - formally and informally - be open and welcoming at all times, and offer opportunities for parents to become involved in the daily life of the school.
- Endeavour to respond to all email and telephone requests within 24 hours and on the day a request is made, where possible.
